

The Greenwich Peninsula Business Centre

Find us

Just 1 stop from Canary Wharf and 13 minutes from Waterloo, the Greenwich Peninsula Business Centre is easily accessible from the North Greenwich Interchange. The Interchange is also well served by a range of frequent bus services. Whilst we are well connected by road, we actively encourage the use of public transport as part of our commitment to lowering emissions on the peninsula.

By underground

Take the Jubilee line to North Greenwich. At the top of the escalators at ground level, turn back on yourself and exit the station directly onto Peninsula Square. Our Business Centre can be found immediately on the right, just a few steps from station building.

By bus

Once arrived at the bus station area, follow the exit nearest to bus stop A. Turn left out of the exit and the Business Centre can be found directly in front of you.

By car

Car parking in the vicinity of the Business Centre is limited. Parking can also be found on a limited basis at the North Greenwich Interchange, the entrance for which is located on Edmund Halley Way.
